Cindy's Journal

*I am writing in my journal.
I do chores all day but I never like to do them.
I have a no good family.
They are very, very, very, very, very, very, very ugly!!*

Prince

He is charming and cute.

I danced with him at the ball.

He lives in a huge castle.

I want to marry him because he is so handsome.

Step-Sisters

My step-sisters are too lumpy.

Their hair is too lumpy.

Their personality is like that of pigs.

Their heads look like big warts!!

Step-Mother

*My step-mother is ugly.
If you ever saw her it would not be a very pretty sight.
But the moral of the story is that she is ugly.*

Fairy Godmother

*She is nice and helpful.
I like her because she is nice.
That's my fairy Godmother.*
