

My Private Diary

CINDY'S JOURNAL

I like to write in my journal and sew. My best friend is a mouse. His name is Felix. My house is big and old. Rats live everywhere in the cellar.

FELIX

Felix is a nice and very sweet mouse. Whenever he's around, I feel so happy inside. Felix is my pet, as well as my best friend.

STEP-MOTHER

My step-mother is as ugly as a big wart. So far only the basement is stuffed full with cream. She only cares about herself and her huge diamond ring. Whenever she smiles, glass cracks and nature dies.

STEP-SISTERS

They eat way too much junk food. They lay around all day like fat, stinky pigs. They're never happy with anything I do.

PRINCE

I wish I was the prince's wife. I would be as rich as a king. Even though he doesn't know me, I love him.
