

MY SECRET DIARY

BY CINDERELLA

(A.K.A. JAMES FRYER)

CINDERELLA'S DIARY

I'm Cinderella. I never get to do anything fun. I am always locked in my room, so I read or write. I always get treated badly when I do something wrong. I am the smartest one in my family.

STEP-MOTHER

My step-mother always wants to be the best looking person on earth. I want to kick her so bad in the butt! She never cares about anyone but herself.

FAIRY GODMOTHER

My fairy Godmother is so nice. She does everything I say. If I asked for a chair, there right in front of me it would be. She is smaller than I am.

PRINCE

The Prince is nice to me. I got to dance with him once. It will never happen again. He would not like me with out my nice clothes.

STEP-SISTERS

My step-sisters are so mean to me. I have to do and clean everything for them. They are snotty. They break every window in the house. They think they are so cool, but they're not.
