*By Cinderella  
(A.K.A. Jeffrey Driscoll)*

# CINDERELLA

*I live in an ugly house with my ugly step-sisters and my ugly step-mother. I always sew for them. I do all the chores for them. I have to sit in my room until all the chores are done.*

# FAIRY GODMOTHER

*She helps me and she grants all of my wishes. If I ask her for something with one swing of her wand, poof it's there. I ask her for a dress, and in one second it's there. If I want to go to a ball, in one second, I'd be there.*

# STEP-MOTHER

*She looks so ugly that when she looks into a mirror, it cracks. She's so mean that I have to do all the chores. She gets to go to the ball and tells me to stay. She has a lot of pretty dresses and I don't. She says I can't have any.*

# STEP-SISTERS

*My step-sisters are so ugly that no one wants to marry them. When they are at the ball, no one wants to dance with them. They have so many dresses that they have to put some in the cellar. The prince won't marry them because they are so ugly.*

# THE PRINCE

*The prince is so cute that everybody loves him. I also love him with all my heart. When I was at the ball, he danced with me. When I was running, my slipper came off. He grabbed it and said, "You forgot your slipper." We got married and lived happily ever after.*
