

MY SO SECRET DIARY

BY CINDERELLA

*(A.K.A. Lauren McCluskey)*

## CINDY

*I like to sing and dance, and turn drags (what I call rags) into drops (what I call good clothes). My foot is very tiny, and my spine is very spiny. I spend all my time doing chores. I never ever get to have fun and play. I also like to sew, but usually I don't get the time.*

# FAIRY GODMOTHER

*She grants all my wishes. If I need a dress and shoes, she's there. One swing of her wand and "poof", I've got what I need. She is very nice. I always love to thank her.*

# PRINCE

*I will admit that I love him, and the fact that I love his eyes and crown. I also love his beautiful smile. I know he won't dance with me at the next ball. I also know that I'll never get my shoe back!*

## STEP-MOTHER

*She is so ugly. She is very mean. She always gets her way, and she has all the dresses in the house. She breaks every mirror. There is nothing good about her.*

## STEP SISTERS

*They are mean and ugly. They smell like rotten eggs. I really hate them. They wreck everything I make. I wish that they were gone forever.*
