CINDY'S DIARY

Hi. My name is Cindy, and I have two stepsisters and one stepmother. I do all the work around here, like the cleaning and the other boring stuff. My stepsisters eat and watch TV all day long. I have a big house to clean, too.

LUCIFER

Lucifer is a very stubborn cat. He has been chasing mice around all his life. He even spies on my step-sisters. I think my sisters know he does it, but they just ignore him now. He can be pretty funny sometimes, too.

STEP-SISTERS

I have two ugly stepsisters. They are both very ugly. All they do is watch television all day.

STEPMOTHER

My stepmother is very mean. She's the one who makes me do all the work, while my stepsisters are lazy. When she walks around, she looks she swallowed a lemon.

PRINCE

*I have a huge crush on the prince I always go to his parties.
The last one he had, I wore a beautiful dress that my fairy
Godmother gave me.*
